

### Volunteers needed!

Please help the Municipal Court by volunteering to become a trained mediator for the Community Dispute Resolution Committee. Volunteers are trained by the State of New Jersey to mediate complaints between residents for charges like trespassing, harassment and charges of local ordinances. These cases are mediated with the intention to resolve the difference between the parties. Mediators provide a valuable service to the Twp. They resolve cases that would normally be scheduled for Municipal Court. They save the court time, help to educate the public through mediation and hopefully make the neighborhoods in Pennsauken a happier place for all of us.

Interested parties must contact Freida Virnelli, complete an application and after approval by Judge Orlando (Assignment Judge for Camden County) they are fingerprinted and a criminal history is prepared. Mediation is held 2nd and 4th Tuesdays each month. Each session lasts approximately 3 hours (many times the cases are resolved quickly and session is over much earlier)

Ms. Virnelli can be contacted at the Municipal Court, 856 663-1403, ext. 2901
